

STATEMENT OF CONFORMANCE

Expertise Consultancy Libya is dedicated to upholding the highest standards of integrity, professionalism, and respect for human rights in the provision of operational support services, including security services, to our clients. We recognize the importance of adhering to international norms and principles governing the conduct of private security service providers, as well as relevant legal obligations and frameworks. In accordance with this commitment, we hereby declare our conformance with the following principles:

1. International Code of Conduct for Private Security Service Providers

We endorse the International Code of Conduct for Private Security Service Providers, which outlines principles and standards for responsible and accountable private security operations. Our company is committed to implementing and upholding these principles in all aspects of our operations.

2. Montreux Document on Pertinent International Legal Obligations and Good Practices

Expertise Consultancy Libya acknowledges the Montreux Document on Pertinent International Legal Obligations and Good Practices for States Related to Operations of Private Military and Security Companies During Armed Conflict. We are dedicated to ensuring compliance with the legal obligations and good practices outlined in this document, particularly in conflict zones where our services may be engaged.

3. Guiding Principles on Business and Human Rights

We are committed to implementing the United Nations "Protect, Respect, and Remedy" Framework through adherence to the Guiding Principles on Business and Human Rights. Our company recognizes its responsibility to respect human rights in all our activities, and we strive to prevent, address, and remedy any adverse human rights impacts that may arise from our operations.

4. Applicable International Humanitarian Laws, Human Rights, Customary Laws, and Agreements

Expertise Consultancy Libya acknowledges the importance of complying with applicable international humanitarian laws (IHL), human rights laws, customary laws, and agreements. We are committed to ensuring that our operations adhere to these legal frameworks and respect the dignity, rights, and well-being of all individuals affected by our activities.

Our company is dedicated to continuous improvement and accountability in our adherence to these principles. We will regularly review and update our policies, procedures, and practices to ensure alignment with international norms and legal obligations.
